

The Emakoko is named after a river which flows into the Mbagathi River just above the lodge.

## Location

- Bordering Nairobi National Park on the Kitengela plains at the Emakoko / Mbagathi river junction
- 25 Minutes from Jomo Kenyatta International Airport (Game Drive)
- 30 Minutes from Wilson Airport (game drive)

The best selling point of the Lodge is its location. It is within easy reach of all the attractions of Nairobi as well as both airports – and yet it is in a totally wild environment. One can start and end their safari – on safari without having to sit in traffic or bypass Nairobi city. .
