

The Emakoko

Nairobi National Park

The Emakoko is situated on 15 acres of land bordering the National Park, on one side of the plot is the Mbagathi River – Nairobi National parks natural fence line and at the top of the plot is the Emakoko River, where the lodge gets its name. Entrance to it is through the park, which is an ideal way to escape the Nairobi traffic.

Accommodation

10 open plan cottages in total – can be King Size doubles or twins. All of them are ensuite with bath tubs and showers with views over Nairobi national park. Each room has an outside deck and a fireplace. Four rooms are suitable for families and can fit 1 extra bed per room- these are the 'double units' shown in the plan, there are two of them altogether.
